Subject – Delivery Surcharges

To: Our valued Vimco customers

We regret to inform you Vimco must reluctantly impose a \$25.00 surcharge on all deliveries starting June 15, 2008. This charge is for product delivered by Vimco trucks anywhere in our delivery area.

This action is undertaken only after an in-depth analysis has shown delivery costs to have almost doubled in the past 9 months. The same experiences regarding vehicle operation you have experienced has hit us as well, even more so. This charge will help defray the continued rise in fuel costs and to maintain the fair product pricing you have always enjoyed from us.

There is no doubt as in the past, Vimco will continue to provide the outstanding service you are accustomed to. As business conditions change, the possibility of repeal is always a viable action and we hope this occurs some time in the future. **In the meantime our fleet of trucks, including those outfitted with the piggyback fork lifts, will continue to deliver what you want; where you want it; every time - on time.**

Sincerely Yours.
